## WC Music Ministry Holy Week Hustle

By Clint Blalock

As the season of Lent draws to a close and Christians around the world observe Holy Week, the White's Chapel worship team is completing the finishing touches on a series of services that promise to be moving and uplifting. Those who have attended our church for an extensive period of time have probably been to one of our Holy Week services in the past. More than 24,000 worshippers attended last year's Palm Sunday, Maundy Thursday, and Easter services. These services are all contained in a single week. But have you ever wondered what happens behind the scenes to make these services come together?

Our typical weekly services have multiple worship times and teams that lead across the church campus. While many of these leaders are visible on the chancel and other platforms, many others are behind soundboards, lightboards, and video booths. It takes a monumental effort to bring our all of worship services to life week after week.

With the lead up to Holy Week, this rises to a completely different level. Over the course of a single week, our choir, orchestra, contemporary teams, and soloists will present nearly 100 songs that will be featured across a dozen services. The production staff and volunteers work practically 'round the clock' to transform the sanctuary with decorations, lights, and video, as well as to provide extra

### Summer 2023

## Mission Trip Registration Open for High School, Middle School Students

By Bella Briseno, Student Minister

It's only April, but WC Students is already preparing for an exciting summer for our middle and high school students. Between preparing for all of our summer trips and going on all of our summer trips, summertime is one of busiest times of ministry for our youth. Among the trips we take are High School Mission Trip, for ninth - 12th grade students, and Middle School Mission Trip, for incoming seventh and eighth grade students.

### High School Mission Trip

All students of the graduating classes of 2022-26 are welcome to register for

this year's High School Mission Trip. The trip will take place July 9-14 in Memphis, Tennessee. Students will depart from White's Chapel early Sunday morning and travel to the University of Memphis, serving as their home away from home during the trip. Alongside WC Students, staff, and our summer interns, adult volunteers will accompany students at a ratio of one adult per five students.

Monday through Thursday, students will take a short drive and spend their days serving in various ways, including house improvement projects such as roofing and ramp building for wheelchair access, and working at food banks in West Memphis and east Arkansas.

After returning to campus, students will end each day with a short devotional time followed by a large group worship service and a short time in small groups with their work group from the day. This weeklong trip will allow students to serve while growing in their faith alongside their peers.

This trip is known to fill quickly, so please sign up now. Over 220 people have registered so far! Because space is limited, ALL students will be placed on a WAIT LIST on a first come, first served basis; and when an adult signs up, five students will be placed on the final

## Lessons from Lent

*Editor's note:* Lessons from Lent is an annual series of reflections on the six-week Lenten Season. A daily devotional guide, "Who Do You Say That I Am?" is available at various kiosks at White's Chapel, or at the Administrative Building front desk. Written by White's Chapel Co-Pastors Dr. John McKellar and Dr. Todd Renner, the guide is available at no charge.

### Abandoned Agenda

*"For you will certainly carry out God's purpose, however you act, but it makes a difference to you whether you serve like Judas or like John."*

– C.S. Lewis, *The Problem of Pain*

One of the disturbing moments of Holy Week is the moment when one of the 12 disciples, Judas, betrays Jesus for 30 pieces of silver. He had a first-hand seat to the greatest moment in history, and he missed what God was doing.

We remember that Judas was a zealot. He had a political agenda. He was

# Love and Loyalty

By Dr. John McKellar

One of the compelling figures of Holy Week was Pontius Pilate, the Roman governor who condemned Jesus to die. He was crystal clear that Jesus was innocent of all charges against him. He tried to pass the buck, compromise, cajole the crowd into letting Jesus go. But at the end of the day, he chose his career over justice, he chose popularity over conviction.

Remember how Holy Week began: with a fickle crowd shouting “hosanna” which means save us now. With reports of Jesus’ healing of Lazarus, debating the Pharisees, and defiance of the status quo he seemed to fill their requirements for the ideal leader to take on Rome. When he refused to meet their expectations, their shallow praise turned to derision. The cries of “hosanna” all too quickly became “crucify.” Such is the volatile nature of popularity. His disciples rode the roller coaster of these hurtling events trying to understand the nature of the love that Jesus had taught them.

Unwittingly, they showed us what love is all about. It is loyalty when the plan falls apart. It is determination in chaos. It is that grit that refuses to walk away when the tide of public opinion turns. True love has a strong strand of stick-to-it-ness in its DNA.

Bear Bryant said a remarkable thing during his tenure at the University of Alabama. He said, “I plan on staying at Alabama for the rest of my career. I guarantee that I'll be here for you through it all, regardless of what happens.”

Loyalty is Peter who falls asleep in the garden when Jesus needed him most, but who woke up and defended Jesus with his sword against the armed guards. It is disciples lurking in the shadows during Jesus’ trial, afraid to speak up, but too devoted to walk away. It is John and Mary at the foot of the cross with their hearts breaking at the injustice they could not stop.

Easter begs a question that causes us to squirm. Is our discipleship more like the crowd or the disciples? Too often our commitment lasts until it ceases to be fun or meets our needs. We walk away from prayer when the answers don’t suit us. We want what we want.. when we want it. And anyone who disappoints us, we move on. But we look back to Jesus. And we remember that there is a cost to love. There is a price for grace. And only when we understand the sacrifice of a great commitment can we plumb the depths of a great devotion. Benjamin Franklin once said, “Be slow in choosing a friend, and even slower in changing.”

Join us this weekend as we pledge our loyalty to our Risen Savior!

schoolers! Just as with High School Mission Trip, ALL students will be placed on a WAIT LIST on a first come, first served basis, and when an adult signs up, five students will be placed on the final roster. If a parent of a student on the wait list registers as a workgroup leader, their student will automatically be added to the final roster. ## Middle School Mission Trip

WC Students will also be traveling with incoming seventh and eighth graders to Conway, Arkansas, from June 12 - 16 to serve the local community. Middle schoolers will arrive at White’s Chapel early to embark on a long day of travel up to Hendrix College, where the students will stay for the week. The same volunteer policy is followed as on the High School Mission Trip: Adult volunteers will accompany in a one adult to five students ratio. After arriving, students will kick off the week with dinner and worship. A typical mission trip day serving in Little Rock is similar Tuesday through Thursday. The day starts bright and early at 7:30 a.m. with breakfast, loading lunches, and heading for work sites. Work sites include various projects, ranging from lawn care to food banks to playing with local children. After a lunch break at noon, students return to the lodging site to shower, eat dinner, and get ready for all the fun activities in store in the evening!

Students will participate in games, devotional time, and worship to connect with their community and the Lord. Finally, students will return home tired but happy on Friday afternoon.

For many students, this is their first experience serving others in a mission trip environment while also being away from home for so long. Still, the Middle School Mission Trip provides fantastic memories that lay the groundwork for students’ time at White’s Chapel. We are excited to spread the Lord’s love and engage in community with these middle

## Adult Leaders and Volunteers

High School Mission Trip and Middle School Mission Trip are some highlights of our year here at WC Students. These week-long trips allow students to serve the people of Conway, Arkansas, and Memphis, Tennessee, while growing in their faith and community with their peers. For as many students as possible to have the opportunity to attend these trips, we need over 75 adult leaders to serve as workgroup leaders. These trips truly could not happen without members of our congregation taking a week out of their summer to serve our students and serve alongside them. While the days may be long, we believe that the rewards

of seeing God move in our students and your own lives throughout the trip are worth experiencing firsthand. More than anything, our students, as the young people of our congregation, need to know the rest of their church community wants to invest in them as they grow in their faith journey. It truly takes a village, and the more members of this church we have to take

our students under their wing, the more they will know how the rest of the congregation wants to invest in them. We don’t believe there is a perfect mold of a great mission trip leader. Great leaders are not limited to a specific age or career. They are not limited by having a student in the ministry or having previous experience serving students of this age. Great leaders are marked by an open and willing heart to invest in the young people

of our congregation as they make God known by serving others. Though it may seem intimidating or something you never considered before, we believe it is worth stepping outside of your comfort zone to join as an adult leader to be a part of the incredible work God will do this summer. We hope you will take this as your personal invitation to sign up to join us this summer!

### Food Truck Party VBS 2023 June 12 – 15 | 9 a.m. to Noon

Food Truck Party VBS is based on Matthew 6:11 (NRSV): "Give us this day our daily bread." This verse reminds us that everything we have comes from God—but it also calls us to turn to God in prayer for our daily needs. Food Truck Party is a fun event where 'Chefs' learn important lessons about God's ability to provide. 'Chefs' are guided each day to learn how we can depend on God to take care of us. Because God loves and cares for us, we, in turn, can love and care for the rest of the world. We care for others because God first cared for us. In this way the Church becomes the hands of God, ensuring that everyone's needs are met. Each session focuses on different ways God has met the needs of God's people and reminds us that God is still doing this today through us.

capacity for as many people as possible. All of this is just the tip of the iceberg!

Before most people have even taken down their Christmas trees, a dedicated group of creative minds from WC Worship, Production, and Adult Education begin meeting with our pastoral team to dream and plan the White's Chapel Holy Week services. By the time Lent begins with Ash Wednesday services, most elements of the Holy Week services have been planned. At this point, the work and the fun are just beginning.

In mid-February, hundreds of singers, musicians, actors, and dancers begin meeting regularly to rehearse. In fact, the sanctuary choir adds a Sunday night rehearsal specifically for Holy Week in addition to their normal Wednesday night choir practice! Dozens of production and audiovisual experts are beginning to generate content and install technology that will be used during that very special week.

The creative team that began the planning will continue to meet each week as the work really begins to ramp up. Music is purchased or created. Storyboards and scripts begin to cover the whiteboards and walls of the Worship Department. Every moment, transition and creative element of each worship service is thoughtfully imagined, planned, and revised. Sometimes directions change completely, and it's not uncommon for the team to passionately disagree. Yet, there is always a spirit of grace and commitment to sharing God's love and salvation in the very best way we can.

All the hard work and preparation leads to a week full of worship experiences that capture the heart and soul of God's love for us, as revealed in Jesus' death and resurrection. It starts with Palm Sunday, as the 9:30 and 11 a.m. Sanctuary services include a celebration of Jesus' triumphant entry into Jerusalem with an exciting procession set to music. Many members also enjoy the annual Brunch in Evans Hall.

Our Maundy Thursday service combines many of the typical elements

and Dr. Renner leading the congregation outside to receive Communion around the Jesus fountain. Each year, there are people that say this is the most profound worship service of the year for them.

Easter at White's Chapel begins at 5:30 p.m. on Saturday, April 8 with a contemporary Easter service. The praise teams from Saturday and Sunday combine to create a unique experience for those eager to begin celebrating Easter. Midnight in Israel happens in the middle of our service, so it's exciting to join with worshipping Christians that are celebrating Easter in Jerusalem. At 6:30 a.m. Sunday morning, worshippers gather in the amphitheater by the pond for a sunrise service. The WC Students' Youth Worship Team – as well as our Pastors – lead this unique Easter experience. This is followed by four services in the Sanctuary at 8, 9:15, 10:30, & 11:45 a.m. These identical worship experiences feature the choir, orchestra, worship band, and soloists.

It's hard to overstate just how much goes into planning, preparing, and leading these services. We pull out all the stops, and these services really showcase our very best efforts to glorify God and share the Gospel. Music and Worship Co-Director Shaunna Fuller says, "We're so excited for the church to experience the music we're preparing. We're working hard on exciting new music as well as familiar favorites. We have dramatic songs with choir, orchestra and praise team that will tell the story of Jesus death and resurrection. It's all coming together for unforgettable worship that is uniquely White's Chapel!"

One of the prayers I pray with my team each week is that God will take the gifts we bring to our worship service and accomplish something so great that only He can take the credit for it. It's my hope that knowing a little more about what our creative teams are doing behind the scenes this year will excite you for what's coming. But more than anything, I hope you will come worship with us... bring a friend or neighbor... and celebrate with us as God transforms lives with the power of His death and resurrection!

looking for a military Messiah to restore the Davidic monarchy. He kept trying to force Jesus to be the One he wanted, rather than accepting who Jesus was.

Judas was saying to Jesus, "Read the signs. You are at the height of your popularity. The crowds are shouting 'Hosanna - Save Us Now!' You have just cleansed the Temple; You've shown your strength. You are teaching about the final days, inspiring the vision of God's reign. Seize the moment. Let's march on Rome." But Jesus refused to meet his expectations.

Judas couldn't adjust his agenda; and in bitterness, he betrayed God's Son. We can ponder his motive. Was it disappointment? Was it an effort to force Jesus 'hand and inspire the others to take up a sword in retaliation? We can never know the heart of Judas, but we see clearly Jesus 'response. "Having loved his own who were in the world, he loved them to the end" the Scriptures tell us.

Jesus continually shows us what love is all about. It is loyalty when plans fall apart. It is determination in chaos. It is
